

We offer individualized in-home care that provides the professional attention that clients need and at the same time allows family and friends to contribute the loving support that only they can provide.

### **Our Goal...**

is to support the independence of the person while providing as much assistance and needed to keep them healthy.

We are committed to providing life-long, individualized support services custom-tailored for each person so his or her family's specific needs are met.

*We serve consumers who are ambulatory and non-ambulatory.*

### **Service Options**

- Hourly: 4 to 24 hours a day
- Live-in: 24 hours around the clock
- Home visits

### **Payment**

We accept most major Insurance companies upon verification of eligibility.

We also accept private insurance, or private pay and Worker's Compensation.

### **Office Hours**

Office hours from Monday through Friday  
8:30 AM to 5:30 PM

If possible, please call during these hours to discuss scheduling or any questions or concerns you may have. After office hours and during weekends, an answering service is available to take your messages and forward it to our on-call nurse. Our nurse is available to answer any important questions you may have or to give instructions to our Field Staff.

Committed to caring since 1996.
